

SmartSchool × Fixdesk

Product Development Checklist

7-Day Sprint • Dev + Design • Interactive Checkboxes7-Day Sprint • Dev + Design • Interactive Checkboxes

How to Use This Document

- ☐ Check off each task as completed
- ☐ Follow phases in order (Day 1 → Day 7)
- ☐ Designer & Dev work in parallel
- ☐ Share Constitution (Section 5) with team

PHASE 0: Global Constants (Set Once)

These never change. Set them first, then lock them.*These never change. Set them first, then lock them.*

Component	Value
Primary Color	☐ #10B981
Danger Color	☐ #EF4444
Warning Color	☐ #F59E0B
Background	☐ #F9FAFB
Card Color	☐ #FFFFFF
Typography	☐ Inter font family
Button Height	☐ 48px
Grid System	☐ 8px spacing

PHASE 1: Global UI/UX Rules

Apply to ALL screens: /admin, /teacher, /parentApply to ALL screens: /admin, /teacher, /parent

- ☐ Typography: Inter. H1 24px/700, Body 16px/400, Small 14px/500
- ☐ Color palette applied to design system
- ☐ Spacing: 8px grid on all layouts
- ☐ Cards: p-6, rounded-xl, shadow-sm, border border-gray-100
- ☐ Buttons: 48px height, Verb + Outcome copy
- ☐ Icons: Lucide only, 20px, stroke 1.5
- ☐ Empty states: Illustration + social proof + [Primary CTA]
- ☐ Loading: Skeleton cards with 'Saving Tolu's score...' text
- ☐ Nav: Bottom tab bar only, 5 tabs max
- ☐ Sync Status: Top right pill (Online | Syncing | Offline)

PHASE 2: Authentication & Role Management

Day 1 tasksDay 1 tasks

Login Flow

- ☐ White card centered on /login
- ☐ Logo positioned at top
- ☐ H1: 'Welcome to SmartSchool'
- ☐ Phone number input field
- ☐ Button: 'Send WhatsApp OTP' (#10B981)

OTP & School Code Screens

- ☐ OTP: 6 input boxes with auto-submit
- ☐ Resend button available after 30s
- ☐ School Code input with security subtext
- ☐ Subtext: 'Ask your admin. This keeps Tolu's data safe.'

Role Management

- ☐ Middleware: /teacher checks role, redirects to /login?redirect=/teacher if unauthorized
- ☐ Parent with 2+ kids: Dropdown in header 'Viewing: Tolu SS2A ↓'

PHASE 3: Admin Dashboard (/admin)

Day 2-3 tasks. Fixdesk grid: 2 col desktop, 1 col mobile. Every card = 1 CTA.Day 2-3 tasks. Fixdesk grid: 2 col desktop, 1 col mobile. Every card = 1 CTA.

Card 1: Cashflow (Red)

- ☐ Show when owing > 0
- ☐ H3: Amount behind (e.g., ₦8,400,000) with [Urgent] red badge
- ☐ Body: 'Greenville recovered ₦12M last month using 1 button.'
- ☐ Button #EF4444: 'WhatsApp All Debtors'
- ☐ Small text: '31 of 32 schools do this weekly.' [Social Proof]

Card 2: At-Risk Students (Amber)

- □ H3: Count of at-risk kids with [Fix Now] amber badge
- □ Body: '90% who don't fix Week 3 fail WAEC.'
- □ Button #F59E0B: 'Blast Parents Now'
- □ Small text: 'TTI avg: 62 days. Target: 2 days.' [Authority]

Card 3: Teacher Compliance

- □ H3: Teacher name + on-time % with red badge if bottom 10%
- □ Body: 'Period lost = ~~N~~4,000 waste. Top schools fire bottom 10%.'
- □ Button outline red: 'Call Teacher'

Card 4: Fee Ledger Table

- □ Columns: Name | Class | Owing | Last Paid | Action
- □ Action: [WhatsApp Nudge] button, not 'Edit'

Card 5: Key Metrics

- □ TTI (Time To Intervention)
- □ Diaries per day
- □ Unlock rate %
- □ Fix Pack purchase %
- □ Teacher streak %

PHASE 4: Teacher Interface (/teacher)

Day 3-4 tasks. Fixdesk 'Today' view. 1 primary action per screen. *Day 3-4 tasks. Fixdesk 'Today' view. 1 primary action per screen.*

Home Card

- □ H3: 'Good morning Mrs Ayo'
- □ Body: 'Your class is 87% on-time. Mr Ayo is 96%.' [Comparison]
- □ Full-width button #10B981: 'START CLASS'
- □ Small text: '32 parents waiting. Don't be last.' [Shame frame]
- □ Footer: '14-day streak. Don't break it.' [Commitment]

Live Class Screen

- □ Header: 'SS2A Math • 34:21' + [END CLASS] button
- □ Tabs: Attendance | Topic | HW | Behavior
- □ Attendance grid: Student faces, tap = green (optimistic UI)
- □ All touch targets: 48px minimum

End Class Modal

- □ H3: 'Class Complete'
- □ Body: 'Send diary or parents think you skipped.'
- □ Primary button #10B981: 'SEND DIARY – 10sec'
- □ Ghost button: 'Skip' (smaller, gray)

Analytics Card

- ☐ H3: 'Tolu 4/20' with [Risk] red badge
- ☐ Body: 'If Tolu fails WAEC, parents blame YOU at PTA.'
- ☐ Button #EF4444: 'SAVE TOLU – Create Fix Pack'

PHASE 5: Parent Interface (/parent)

Day 3-5 tasks. Fear + Pride card stack. Red card = urgent. *Day 3-5 tasks. Fear + Pride card stack. Red card = urgent.*

Card 1: Fees Due (Red)

- ☐ Show when fees owing
- ☐ H3: 'FEES DUE ₦35,000' with [Report Locked] red badge
- ☐ Body: '18 classmates unlocked. Tolu's waiting.' [FOMO]
- ☐ Button #10B981: 'UNLOCK TOLU'S FUTURE'
- ☐ Small text: 'Avoid the talk at pickup.' [Shame]

Card 2: Risk Alert (Red)

- ☐ Show when score <40%
- ☐ H3: 'MATH RISK 4/20' with [Urgent] badge
- ☐ Body: 'WAEC Data: 90% who ignore this fail SS3.'
- ☐ Progress note: 'Only 2 Fix Pack slots left today.' [Scarcity]
- ☐ Button #EF4444: 'RESCUE TOLU ₦5,000'
- ☐ Small text: 'You promised to help him.' [Commitment]

Card 3: Diary (White)

- ☐ H3: 'NEW DIARY 3:12pm' with [New] green badge
- ☐ Body: 'Mrs Ayo: Tolu was distracted. HW: Pg 24'
- ☐ Button outline: 'Thank Mrs Ayo' [Reciprocity]
- ☐ Small text: 'Other mums got this. You're caught up.' [Social]

Report Gate Modal

- ☐ Blurred PDF in background
- ☐ Center card: 'Report Locked'
- ☐ Subtext: 'Unlocks in 1d 4h after payment'
- ☐ Button #10B981: 'Pay ₦35,000 Now'

Post-Payment Screen

- ☐ Full-screen confetti animation (1.2s)
- ☐ H1: 'You Unlocked Tolu's Future!'
- ☐ Body: 'You're now a Top 10% Parent.'
- ☐ Button #10B981: 'Share Badge'
- ☐ Button ghost: 'View Report'

PHASE 6: New Screens (Moats)

/parent/passport – Academic Passport

- ☐ H1: 'Academic Passport'
- ☐ Timeline: JSS1 T1 | 45% Math | Heatmap cell
- ☐ Button: 'Export 6-Year PDF' [Authority]
- ☐ Copy: 'WAEC is 1 day. This is 6 years.'

/teacher/friday – Weekly Report

- ☐ H1: 'Weekly Report'
- ☐ 5 sliders: Punctuality to Conduct
- ☐ Voice note input
- ☐ Button: 'Submit – Parents get Sat 9am'
- ☐ Copy: 'Be the teacher parents brag about.' [Pride]

PHASE 7: Copy Audit

Replace 20 key phrases across the app *Replace 20 key phrases across the app*

Screen	Old	New
Admin	Total Students	☐ 342 Futures You Control
Button	Submit	☐ Save Tolu From PTA Shame
Empty State	No data	☐ Tolu's first score appears here. 32 parents waiting.
Score Page	Add Score	☐ Decide Tolu's Week
Fee Button	Pay	☐ Unlock Report Before Pickup
Diary	Homework	☐ Other kids submitted. Tolu?
Login	Sign In	☐ Secure Tolu's Data

PHASE 8: Mobile & Offline (Lagos Proof)

Mobile Navigation

- ☐ Bottom nav: 5 icons only
- ☐ Tabs: Home | Scores | Diary | Fees | Profile
- ☐ Each tap target: 48px minimum

WhatsApp Integration

- ☐ All 'Send' buttons: wa.me/234...?text=... deeplinks
- ☐ No in-app chat—route to WhatsApp

Offline Support

- ☐ Offline banner: 'Offline – Saved. Will send when Tolu needs it.'
- ☐ Skeleton screens: 'Saving Tolu's score...' (no spinner)
- ☐ TanStack Query + persist for offline queue
- ☐ App works 100% offline for 8hrs

7-Day Implementation Sprint

Day	Design	Dev
1	☐ Login + Role UI	☐ Auth wall + school_code API
2	☐ Admin cards redesign	☐ WhatsApp button + EventBus
3	☐ Parent gate + confetti	☐ Blur + Paystack webhook
4	☐ Teacher diary flow	☐ Offline queue + Events
5	☐ Risk card + Fix pack	☐ CA rule → Push
6	☐ Copy pass all screens	☐ Replace strings
7	☐ Design QA	☐ Tecno 2G test
8	☐ 1 school live	☐ Collect ₦500k

Developer Final Checklist

Non-negotiables. No exceptions. *Non-negotiables. No exceptions.*

- ☐ Use Fixdesk colors: #10B981, #EF4444, #F59E0B, #F9FAFB, #FFFFFF
- ☐ Every data screen has 1 primary CTA (Red/Yellow/Green rule)
- ☐ Every button copy = Verb + Outcome ('Save Tolu' not 'Submit')
- ☐ Every empty state = Social proof ('32 parents waiting')
- ☐ Every payment success = Confetti (canvas-confetti, 1.2s)
- ☐ Every score <40% = Event → Parent push + Admin badge
- ☐ Offline first: TanStack Query + persist to localStorage
- ☐ Show sync status pill: Online | Syncing | Offline
- ☐ TTI <10min: Log CA_SCORE_SYNCED, alert if >10min
- ☐ ESLint rule: Block 'Submit', 'Error', 'User'

UX Constitution: 20 Laws

The psychology layer. Every feature must pass these. *The psychology layer. Every feature must pass these.*

Section 1: Cognitive Friction Laws (1-10)

Goal: Time to action <2sec. Think time = 0sec. Doubt = 0%. *Goal: Time to action <2sec. Think time = 0sec. Doubt = 0%.*

Law 1: 1 Screen = 1 Job

- Only 1 primary CTA. Others = ghost/outline.
- Example: Admin card only has green 'WhatsApp All Debtors', no others

Law 2: 48px Min Touch Target

- All tap targets 48px height. 16px padding.
- Why: Fitts Law. Works on Tecno Android.

Law 3: No Dead Ends

- Every state has a CTA. Empty = 'Tolu's first score appears here. 32 parents waiting' + [Primary button]
- Never show 'No data'.

Law 4: Optimistic UI Always

- Tap = instant UI change. API calls later.
- Example: Tap attendance → instant green face (no loading)

Law 5: Copy = Command

- Buttons: Verb + Outcome.
- NOT 'Submit'. YES 'Save Tolu' or 'Unlock Report'.

Law 6: Social Proof Default

- Numbers always show comparisons.
- Example: 'You 71% | Mr Ayo 96%', not just '71%'

Law 7: Offline = Default

- Write local first. Queue. Show 'Saved'.
- Copy: 'Saved. Will send when Tolu needs it.'

Law 8: Bottom Nav Only

- 5 tabs max. Top = logo + status + avatar only.
- Why: Thumb reach on 6-inch screens.

Law 9: State Is Visible

- Sync pill always top right: ☒ Online | ☐ Syncing | ☐ Offline
- Removes uncertainty = reduces friction.

Law 10: Error = Action

- Errors have 1 fix button, not just text.
- Example: 'MTN down. [Retry]' not 'MTN down' alone

Section 2: Dopamine Laws (11-20)

Goal: 3 dopamine hits per session. Anticipation → Act → Reward → Variable → Share. *Goal: 3 dopamine hits per session. Anticipation → Act → Reward → Variable → Share.*

Law 11: Confetti On Money

- Paystack success = full-screen confetti 1.2s
- Copy: 'You Unlocked Tolu's Future!' + [Share Badge]

Law 12: Streaks For Teachers

- Show '14-day streak' if class started daily
- Footer: 'Don't break it.' [Loss aversion habit formation]

Law 13: Badges For Parents

- After unlock: 'Top 10% Parent' badge
- Share button → 'You are Top 10% Parent' on WhatsApp

Law 14: Variable Praise

- Not every diary gets 'Thank'. 60% random reward.
- Scarcity of praise = value. Teachers get push: '3 parents thanked you'

Law 15: Scarcity Timers

- Red cards show countdown. 'Report locks in 1d 4h'
- Urgency = action.

Law 16: Shame Avoidance

- Frame as 'Avoid X' not 'Get Y'.
- 'Avoid the talk at pickup' > 'Build relationship'

Law 17: Hero Narrative

- Teacher CTAs = save a child
- 'SAVE TOLU – Create Fix Pack' > 'Create plan'

Law 18: Progress Visible

- Fix Pack: 0/5 → 5/5 checkmarks, animated fill
- Zeigarnik effect: Incomplete = dopamine

Law 19: Social Comparison

- '18 classmates unlocked. Tolu's waiting.'
- Always show others. FOMO = dopamine.

Law 20: Sound + Haptic

- Pay = ding. Save = buzz. Error = soft buzz.
- navigator.vibrate(50) + ding.mp3

Zero-Friction Audit (Before Ship)

PM asks these for EVERY screen. 1 No = reject screen. *PM asks these for EVERY screen. 1 No = reject screen.*

1. Taps

- Can Mrs Ayo do the main job in 1 tap? ☐ YES

2. Think

- Does button text tell outcome? 'Save Tolu' vs 'Submit'? ☐ YES

3. Doubt

- Is sync status visible? ☐ YES

4. Dopamine

- Confetti, streak, badge, or social proof? ☐ YES

5. Tecno

- Works on ₦40k Android, 2G, thumb, 48px? ☐ YES

Final Checklist Before Release

Print and sign. *Print and sign.*

- ☐ Every screen: 1 CTA only
- ☐ All targets: 48px min
- ☐ No dead ends (empty states have CTAs)
- ☐ Optimistic UI <300ms
- ☐ Copy: Verb + Outcome

- ☐ Social proof on numbers
- ☐ Offline save + status pill
- ☐ Bottom nav only
- ☐ Errors have [Retry]
- ☐ Confetti on pay
- ☐ Streaks for teachers
- ☐ Badges for parents
- ☐ Scarcity timers on red
- ☐ Shame > gain framing
- ☐ Progress bars visible
- ☐ Colors: #10B981 #EF4444 correct
- ☐ Cards: p-6 rounded-xl shadow-sm
- ☐ Icons: Lucide 20px
- ☐ 'Tolu' + '32' + '90%' used
- ☐ TTI <10min logged
